Background Information

The FBI Omaha Field Office is pleased to welcome all college students to our FBI Collegiate Academy for the 2024-2025 school year. This program provides students with an inside look at the FBI. Through presentations, demonstrations, and discussions, students will learn about the FBI's investigative programs, evidence collection, and the role of the special weapons and tactical teams. Students will also have an opportunity to explore internship and career opportunities and develop real-world resume and interview skills.

The FBI Collegiate Academy is not exclusive to students interested in or studying criminal justice. Due to the vast diversity in our workforce, any student with an interest in the FBI, what we do, and how the FBI addresses the concerns of the community is encouraged to apply.

Whether typed or hand-written, illegible applications or applications scanned at a low quality will not be reviewed. Likewise, incomplete or late applications will not be accepted.

This application and any supplementary materials must be received by Friday, August 2, 2024 for review. Submit applications by mail or email to:
