DETAILS

The Harris County Sheriff's Office in Texas and the Federal Bureau of Investigation's Houston Field Office are asking for the public's help in identifying the unknown individual(s) responsible for the homicide of three victims at a residence in Cypress, Texas. On Sunday, August 18, 2024, at approximately 6:00 a.m., neighborhood surveillance videos captured an unidentified male suspect approaching a residence on Plains River Drive, in Cypress, Texas. It is believed that the three victims were shot multiple times while they were asleep. After committing the murders, the unidentified male set the residence on fire in an attempt to cover up the crime. The surveillance video captured the suspect vehicle, which appeared to be a dark in color (blue or black) 4-door sedan, with the third brake light located in the lower portion of the rear window. The vehicle was last seen at approximately 6:15 a.m. traveling eastbound on Cypresswood Drive before it made a right turn to continue south on Cypress Rosehill towards 290.
